

Dear Richmond-Burton Community,

We are excited to invite you to our football home opener this Friday night as our Rockets take on our rival, Johnsburg! While our stadium is still under construction, we refused to let our boys play anywhere besides Rocket Country. This week, they'll be playing on our home turf where they belong.

Though some of the new amenities may not be ready just yet, we've made sure everything you need for an exciting night of football is in place. Here's what to expect:

- **New bleachers:** Running from end zone to end zone, ensuring plenty of space for friends, family, and fans.
- **Additional parking:** Making it easier than ever to access the game.
- **Portable restrooms:** Conveniently located for your use throughout the evening.
- **Concessions:** Sold by our Junior Class Council, along with food trucks to keep you fueled for the game.
- **Announcer:** The booming voice of Mr. Eisenberg to keep the energy high!

We thank you for being a part of this special occasion. Below is a link to our layout for the evening.

[Rocket Football Kickoff Night](#)

Let's play some ball and show Johnsburg what Rocket pride is all about!

Go Rockets!

Sincerely,
