Five main principles of home décor:

These *home décor* principles are vital to know because they aid you in settling your home. In addition, they make your space eye-catching and gorgeous.

- **Proportion:**

Proportion is the part, percent, and share of the whole. In the case of *home décor*, it is considered as a backbone because your home size will decide the actual settlement.

- **Sense of balance:**

Your sense of balance is very much considered because a home looks attractive when you arrange an object with equilibrium. Moreover, things of similar weights placed inside the room look more creative.

- **Unity and combination:**

The unity between *home décor* objects is a remarkable feature. This helps to describe your home parts, e.g., your bedroom consists of your bed, wardrobe, etc., and your study room contains a study table, books, computer, etc.

- **Rhythm:**

Rhythmic pattern, in the case of home designing, is the essential term. Here, you can arrange items in a way that they catch impressions, attention, etc.

- **Emphasis:**

Arranging your room in a sense that captures attention due to colors, texture, and paints all fall in the emphasis category. Color is the most powerful tool in home décor. So, a proper selection of colors that contrast with interior design is a mind-blowing visual site.

Eight essential home decorating tips:

Home décor is important because it represents your lifestyle, and you are creating your environment. Here are eight home decorating tips below:

- **Flourish your main gate:**

The main gate is your first entering impression. So, paint the door with glorious colors that are attractive. Different regions have different symbolic color entrances; e.g., in America, red gate colors symbolize welcome. In addition, orange and yellow is also a symbol of warmth and joy. Your front gate will be customized according to the scenario.

- **Light and striking wall colors:**

Light and neutral wall colors strike a mindset. Stick to white, gray, off-white, or other light and pleasant colors. The reason behind this is that it is light on your eyesight. Another important factor is that as much as soft shades are on the wall, cooler vibes come out.

- **Window colors and sunshine entrance:**

The window is the jewel of a home. Color the windows bold and dark because the contrast between light wall color and dark window color is another amazing attraction. Likewise, hang curtains on the window so the sunshine allows you to enter. For the sake of your fresh start, awaken the sun within you.

- **Set down carpets under furniture's bottoms:**

Flooring is the foundation of any room. Placing carpets in the legs of furniture represents a seating area and seems gorgeous. Another benefit of installing carpet is that it provides insulation and adds style and comfort.

- **Decorate wall panels:**

Decorate the wall panel with beautiful artwork and wallpapers. You will also make a photo wall of your family and friends in your bedroom. Inspirational quotes in the drawing room and study room greatly impact the reader's mind.

- **Gorgeous kitchen design ideas:**

Colorful cabinets, glassy windows, and non-stick and modern-style utensils add a character look to your kitchen. White cabinet color most likely inspires you, but you must clean it properly and neatly. Set the refrigerator in the kitchen corner and adjust the small dining there.

- **Modern bathroom décor ideas:**

Add white fixture on bathroom walls. Set the small cabinet where you place shampoo, soaps, etc. In addition, the hammer towel and hand towel stand there properly. Display a mirror and wooden shade for your hairbrush, etc.

- **Lawn décor:**

Make a small lawn in front of your home. Divide your lawn corners into parts. One part for fresh, colorful flowers. Others are for daily use vegetables and green lavish plants. Place a wooden bench there for evening tea. Colorful parrots with decorated nest boxes are also eye-catching and attractive in the garden.

Conclusion:

“Bring an element in your home that radiant inspiration.” *Home decor* is essential because it brings relaxation, neatness, comfort, etc., to your life. Most importantly, decorated home

represents personal identity. Polishing your furniture with bold shades and authentic paint colors and displaying artwork, beautiful vases, and stylish utensils are key to making your home lovely.

“Your home should tell the story of who you are and be a collection of what you love,” said Nate Berkus.
