

How Saved I Am

Verse 1

I still remember who I used to be
When this heart cried out to be free
I was desperate, a failure, in need of a Savior
And I still remember the moment, the time
When I finally surrendered my life
I was broken and ran into arms wide open

Chorus

Oh what a difference he made in me
Because of the blood I'm forgiven and free
Everything changed the moment His mercy found me, found me
Now every sin has been traded for grace
Love came and washed away every stain
I'll testify over and over again
How lost I was how saved I am

Verse 2

Maybe you're thinking You're too far gone
You can't get to the cross from the road that your on
But He'll find you right there, trust me I've been there

Chorus

Bridge

I'm praising my Savior all the day long
This is my story, this is my song

Chorus

*This is my story, this is my song
Praising my Savior all the day long
