Adena Middle School

Dear Parent/Guardian:

In the spring, Adena Middle School students in grades 5th, 6th, 7th, and 8th will be taking Ohio's State Tests in Reading, Math, and Science (5th and 8th) as required by the Ohio Department of Education and State legislation. The results are used to determine the status of the Adena Local School District Report Card to see if students have made progress from the previous year. ***The Adena testing window for ELA is April 22-May 4, and the testing window for Math is May 4-14, including make-ups.*** Below is the testing schedule for students in grades 5-8.

English Language Arts (ELA)
6th and 8th Grade: Thursday, April 22, 2021 and Friday, April 23, 2021
5th and 7th Grade: Tuesday, April 27, 2021 and Wednesday, April 28, 2021

Math
5th and 7th Grade: Tuesday, May 4, 2021 and Wednesday, May 5, 2021
6th and 8th: Thursday, May 6, 2021 and Friday, May 7, 2021

Science (5th and 8th grade only)
Thursday, May 13, 2021 and Friday, May 14, 2021

Students will be tested using Chromebooks in their classrooms, by their teacher, unless they have an individualized plan for accommodations. ***Students need to have their Chromebooks fully charged on testing days.*** Testing will take place in the morning, shortly after school begins. We hope that tardiness and morning appointments can be avoided. If your child must be absent during the regular testing time, a make-up test will be scheduled within the testing window.

Please help your child be prepared to do his/her best by providing an opportunity for plenty of rest and a good breakfast on testing day. A small snack and drink will be provided by the school to each student before testing begins. It is helpful if the child is not extremely stressed the day of the test, so please plan ahead so that you may have a smooth morning.

If you have any questions or concerns, you may contact Mr. Dustin England, Principal, or Mrs. Susan Glandon, School Counselor and Testing Coordinator at 998-2313.

Thank you for your support and interest in seeing that your child does well.
