New Business:

1. Discussion – Annual Evaluation & Draft 2024-25 Single Plan for Student Achievement

Emma Castro and Michaela Urias spoke out about ixl and PE websites.
Most teachers would like to not add these two online programs at this time.
At this time thoughts of adding more IB literature and or materials for the Transdisciplinary Units of Inquiry would be a better way to spend funds.

Discussed the many great changes happening in our school and district. Teachers are fully implementing all 6 transdisciplinary units 1st-5th
4 transdisciplinary units for Kindergarten.
