

CMS Tutoring Offerings Something for EVERYONE!!

GRADES 6 - 8 | MONDAY - THURSDAY

Tutoring Offerings

Starting November 11, 2024, Crockett Middle School will be offering tutoring to meet a variety of student needs and their hectic schedules. Tutoring is broken up into subject areas and is offered for math and ELA. The ELA tutoring sessions will assist students with ELA as well as projects or writing assignments in Science and Social Studies. Tutoring is also offered in two different formats: 1) in-person lunch tutoring and/or 2) in-person after school tutoring. A description of offerings is below and the current schedule can be found on the next page. Be sure to check the schedule on our website to stay up-to-date about any changes. The calendar is subject to last-minute changes and will be updated every month.

Lunch Tutoring/Homework Help

This is offered once per week for ELA/SS/Sci projects. and for Math. Students **MUST** receive a pass from their teacher in order to be excused from the cafeteria and report to Homework Help. This is available to all grade levels during their lunch period. We will limit this to ten students on any given day, so get your pass early.

After School (In-Person) 3:15 – 4:15

Are you a learner who learns better in-person and in a smaller environment? This is a place to sit with a math or ELA teacher to work on an assignment, get specific questions answered, and/or study and have a teacher available to answer questions. This is offered once per week for math and once per week for ELA/SS/Sci projects. Students do not need to register; they simply show up when they could use some extra help. **Students will need transportation home.**
