

Rainbow Reading Bingo

Strive to become a member of the Purple People Club

Dear Parent of a Kindergartener, First Grader, and Second Grader:

Please assist your child in reading through the RAINBOW of colors to reach purple. Each time the student returns a Rainbow Reading card, they will spin the PRIZE WHEEL and receive the next color in the Rainbow reading card. The goal is to promote a reading routine and allow your child to read a variety of books, both fiction and nonfiction.

There is a total of 6 cards (colors in a rainbow) with suggested books to read. The cards must be completed **at least 3 weeks apart**. This program encourages family reading and uses books you have in your home library, from the public or school library, and books from our eBook collection SORA, <http://www.soraapp.com/library/oesfl> To access, use student's Oasis account and password. If needed, please contact student's teacher for this information.

Several boxes on each card are devoted to the reading of the SSYRA Jr. books. This is another reading incentive program sponsored by the OES library. Please be on the lookout for the information letter about your child reading these 15 Florida state nominated books.

Attached to this letter is the first reading card (red). When the student returns the completed signed bingo sheet to the library during their Library Specials visit, they will spin the prize wheel for a prize and receive the next bingo sheet.

The **grand prize** is an invitation to the **Purple People Party** which is earned by completing the last reading card (purple). The program ends on May 1, 2026.

Please reach out if you have questions.

Thank you for being a partner in your child's education.

Ms. R. Gamboa
