

# STEAM Team Building Activities Reflection

*At the start of the year, students build towers with note cards and spaghetti/marshmallows/string/tape to practice team building and design thinking skills and abilities.*

*Circle the descriptor that matches your feelings about the reflections below:*

## Note Card Tower Activity

1. I completed this activity with \_\_\_\_\_.
2. I enjoyed the activity: yes   no   I'm not sure
3. I was a good team member during the activity: yes   no   I'm not sure
4. The biggest challenge of this activity was \_\_\_\_\_.
5. The biggest success of this activity was \_\_\_\_\_.

## Spaghetti-Marshmallow-String-Tape Activity

6. I completed this activity with \_\_\_\_\_.
7. I enjoyed the activity: yes   no   I'm not sure
8. I was a good team member during the activity: yes   no   I'm not sure
9. The biggest challenge of this activity was \_\_\_\_\_.
10. The biggest success of this activity was \_\_\_\_\_.

If I was going to complete these activities I again, I would do the following:

Go to the TeamFive Photo File and drag 1-3 images of you and these activities into this document. Then print the document, place in a clear sheet, and add to your portfolio.
