**Dear Students,**

Are you a good person?

Do you know any really good people?

What do good people do?

Is it even possible to be truly good, all the time?

One day, a wealthy young man came to see Jesus. He was hard-working, he followed all the rules, he always tried to do the right thing. But he still felt like something was missing. He wanted to know how to make sure he could have eternal life. Jesus asked a strange question: "Why do you call me good?"

Isn't Jesus good? Why would he ask a question like that? What's his point?

**This week 11/13:** Everyone is invited to have some cake together after church to celebrate Pastor Chris and to say goodbye as he and his family move to the San Diego area. After that, we'll meet outside in the courtyard for games and the Bible lesson.

**Sunday afternoon, 12/4:** Valley Fair! We'll carpool there after class for lunch and for you guys to have some time to hang out together.

**Please keep praying** for all your friends and family - and for our church!

Love in Christ,

--Sharon R. and Gloria W.
