

Southwest Virginia Wildlife Center of Roanoke Wish List 2025

*Please consider making purchases on our wish list below by using Walmart's Spark Good program and supporting our wildlife center. It's at no cost to you and when you enroll in their Round Up program you can round up your purchase to the nearest dollar amount and that difference will go directly to your favorite charity (hopefully us)! We also have a wish list/registry on that profile called Wildlife Wishlist where you can find other items in addition to those below. Click [HERE](#) to select us as your favorite nonprofit and start making a difference today!
