DRAW YOURSELF AS A SUPERHERO!!

On the last paper in this packet, you must draw a full-figured drawing of **yourself** as a **super hero**. Your drawing should represent whatever your power is.

For example if your power is creating art you could be wearing an apron and have a paint brush in hand!

You must create a completed drawing with sharpie and colored pencils. You must begin in pencil.

Follow the “How-to-draw” instructions to help you draw your figure.

Use the back of this page to **practice** your drawing.

The last page will be your **FINAL DRAWING**.

*Your drawing should be unique and original.
You are not allowed to copy or use someone else's work as your own.*
