

The “No-Longer Hidden” Homeless Event

An event to raise awareness of the local youth homelessness issue.

We are looking for groups of youth, all ages, to come and help raise awareness of our students experiencing homelessness locally.

Last year alone, 384 students were identified as Homeless in the Bismarck Public School System.

We want to make a difference by gathering 384 youth to STAND in representation of those identified.

Where: Legacy Football Field, Legacy High School

When: November 16th

Time: 6:00 p.m.

There will be former and current students speaking about their experience of being homeless and then we will gather on the field to take a picture to get a visual of what it would look like if those students identified were in the streets.

Have a group of students or youth and want to participate?
