*ADIA LAVANI is a local Indonesian brand specialising in daily wear for women, men and children made from 100% natural cotton based on tie-dye techniques using natural ingredients. ADIA LAVANI is committed to sustainability, and making our planet a better place.*

*The brand launched in November 2016, recognising a gap in the eco-fashion market, due to the scarcity of natural colours and fabrics. ADIA LAVANI textiles and materials are carefully chosen for your comfort, and for their impact on the environment.*

*The brand's founder was inspired after witnessing tie-dye techniques employed in Arimatsu Nagoya village during a holiday trip to Japan. Combining simple and minimalist styles with eye-catching patterns, ADIA LAVANI's current collection focusses on the use of natural locally sourced in Indonesia.*

ADIA LAVANI adalah merek lokal Indonesia yang mengkhususkan diri dalam pakaian sehari-hari untuk wanita, pria, dan anak-anak yang terbuat dari 100% katun alami berdasarkan teknik tie-dye menggunakan bahan pewarna alam Indigofera.

ADIA LAVANI berkomitmen untuk lingkungan keberlanjutan dan membuat planet menjadi yang lebih bersih. Merek ini di luncurkan pada tahun 2016, mengambil celah pasar *eco-fashion*, karena kelangkaan warna dan kain alami. T

Tekstil dan bahan ADIA LAVANI di pilih dengan cermat untuk kenyamanan anda. ADIA LAVANI terinspirasi setelah designer menyaksikan teknik tie-dye yang di gunakan di desa Arimatsu Nagoya, Japan, sewaktu perjalanan ke Jepang. Design Adia Lavani menggabungkan gaya sederhana, minimalis dan *eye catching*.
