

HSB Community School Catalog – Summer 2025

We are pleased to release our Community Ed Course Catalog for the 2025 Summer Session, which will run from June to July. HSB Community Schools will offer a range of free activities and courses to any Horseshoe Bend resident. Non-residents are welcome to join, but priority will be given to residents first. The purpose of these activities is to provide constructive, safe, and drug & alcohol-free activities for our community members. The continuation of these activities will depend on the dedication and commitment of our instructors, how well they are attended, and ongoing grant funding. We highly encourage you to look through the course offerings and sign up for any you are interested in! Courses will be added as instructors come forward, so use the QR code below to check our website, where you can find our updated catalog and register for classes. **Registration will open May 1st.**
