

EQ1 –

Goal – take everyone’s EQ questions and as class produce four final EQ questions

Step 1 – Share with your table your questions.

Step 2 – Decide which three questions are the best at your table.

Step 3 – each table shares one question at a time.

Step 4 – Mr. R – writes final questions on overhead from class discussion.

Step 5 – Class gives bullet point (4-5) answers for each question

Questions from Class –

What are some theories about the downfall of the Roman Empire?

What did being a citizen entail in Ancient Rome?

How does Latin relate to other languages we use today?

What were the Romans achievements in Architecture and Engineering?

How did Stoics believe?
