## THE DISTRICT

Dear Parkland Military-Connected Families,

Welcome to Parkland Pre-Engineering Middle School! We are honored to welcome your family to our Novillero community and look forward to supporting your students throughout their middle school journey.

At Parkland MS, we recognize the sacrifices, transitions, and unique experiences that military families face. Our goal is to ensure every military-connected student feels welcomed, supported, valued, and connected from their very first day on campus. We are committed to providing a positive learning environment that supports students academically, socially, and emotionally.

Our campus offers a variety of support and opportunities for military-connected students and families, including transition assistance, counseling and CIS support services, student ambassador programs, family engagement activities, and Month of the Military Child celebrations. We work closely with our staff and community partners to help students successfully adjust to new environments and build meaningful connections.

We encourage families to stay connected with our campus and reach out whenever support is needed. Together, we can ensure your child has a successful and memorable experience at Parkland Middle School.

Thank you for your service, sacrifice, and partnership. We are proud to serve and support our military families.

With appreciation,

Jesus Ortiz  
Principal  
(915)434-6300
