

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Never Unceasing Activity

“Seraphim are still being periodically created; the universe of Nebadon is still in the making. The Universe Mother Spirit never ceases creative activity in a growing and perfecting universe.”

[38:1-3](#)

從未停止活動

「熾天使們仍定期地被創造出來；內巴頓宇宙仍在發展中。宇宙母靈在不斷發展和完善的宇宙中從未停止創造活動。」
