Show & Tell 2018 ~ 2019

Every week, 4-5 children share during show and tell. Your child is assigned a group-see below. Click on that group to see assigned dates. Your will also receive a paper copy the first week of school.

Show and Tell is a wonderful opportunity for your child to share their home life with their friends at school. We have found, through experience, that Show and Tell is much more beneficial when it is given direction. Please help your child pick something for show & tell. Help your child with 2-3 sentences about their show & tell. Below you will find a schedule for show and tell for the year. There is a topic for each month. Please help your child choose something from home that is related to the topic of the month. For example, in October the topic is something you made. Your child could bring in something that they made such as a craft or a drawing.
Your child has a scheduled show and tell day each month**. Please mark the dates on your calendar. ***Any photos for sharing can be emailed to me to display on the TV.**

Group 1- Allison, Daniel, Anna, Dexter, Claire
