

Hey _____,

Welcome aboard! I look forward to working with you and boosting your outreach and sales.

OR

I haven't heard from {partner}. If you're still interested, you can pass this information on to {him/her} and I can get started working on boosting your outreach and customer acquisition:

Step One: If you don't already have a Meta Business Suite, click [here](#).

Step Two: For me to create ads for you, I will need your Business Manager ID. To find this, do the following:

1. In the Meta Business Suite, go to 'Settings'.
2. Select 'Business portfolio info' from the sidebar.
3. Below your business portfolio name, you'll find your Business Manager ID.

Once I have your Business Manager ID, I will input your information on my end and the system will prompt you to accept this on your end.

Please send me any relevant photos and videos, if you have any, that you'd like me to use.

Also, if you'd like to have your voice in the videos, you can record your sample [here](#) and send it to me. Speak normally, clearly, and confidently. Rather than trying to read from a script, just introduce yourself, "Hi, my name is _____. I am _____ years old. I was born in _____ (city, province/state, country). I am a _____ (father of three, a plumber/gasfitter). I enjoy _____."

Here's to creating interest and boosting sales!
