- *Beginning Balance for the 2021-2022 School year is \$71,276.53.*
- *Budget is going towards PLCs (Professional Learning Community) for Teachers, Para Educators to help with PLCs, and PLC Assistants which is now the new fancy name for “Subs”.*
- *Some budget (roughly \$1,000) will be used for technology, but majority of ChromeBooks are being replaced using the School’s “Technologies” Budget. Glenda is going to invite our new STS to the next Community Council to discuss a survey that was preformed among the teachers/staff about technology needs in the school.
