

# Work Experience 15/25/35

## Program Description:

Work Experience allows students to earn credits while employed or volunteering in various industries and sectors. The program is viewed as a partnership providing a variety of benefits for students and employers as well as the school and the community.

Work Experience education provides students an opportunity to:

- Explore possible career areas
- Develop work related skills at real jobs under actual working conditions
- Understand the expectations of the workplace
- Develop necessary attitudes and work habits for successful job performance
- Learn about business through participation
- Develop an appreciation for the dignity of honest work
- Be aware of the relationship between productivity and earning wages
- Discover the relationship between education and job success.

## Prerequisite Course: HCS 3000 (Workplace Safety)

## Course Evaluation:

Completed Application/Learning Plan	10% (Due July 5, 2024)
