

September 13, 2020

Dear West Geauga High School Families,

We appreciate the building reopening communication you provided to your students. This support made for a great week of school. Thank you!

During the past week, we fielded some questions regarding attendance and the possibility that in-building students could attend classes online. Please know that families who elected to have their students attend in-person classes need to be in the building. If students are signed up for in-person classes and not in attendance, they will be marked absent.

Teachers are using Google Classroom as a learning management system and will post assignments and class information for all students there. Students that are absent should use this site to keep informed of any missed class information.

Students that will be out of school for an extended period of time may apply to be online for the duration of their leave. These decisions will be on a case-by-case basis.

As always, if your child is absent from school either online or in-person, please call our attendance office at 440-729-5958.

Have a great week.

Thank you,

Jay Bishop
Principal
