

October 17, 2020

Dear P.S. 81 Families,

We understand that you have questions regarding the confirmed Covid 19 case at P. S.81. I want you to know that we have followed the rigorous protocols that have been established by the NYC Test + Trace Corps, New York City Department of Health and Mental Hygiene (NYC Health), and the New York City Department of Education (DOE).

All students and teachers in the affected class with the individual who tested positive are considered “close contacts,” and have been notified of the need to quarantine for 14 days since the last contact with the person who tested positive. These students and teachers will transition to fully remote teaching and learning for this period.

In order to protect the privacy of the individual who has tested positive, we cannot share additional details about the case.

Please know that the P.S. 81 staff is committed to your children and we understand the challenges and concerns that this news has created. Our P.S. 81 families are always in our thoughts and prayers.

Enjoy your weekend with your beautiful children.

Fondly,

Anne
