St. Croix Central has menus, including nutritional information, available within **Nutrislice**.

You can view Nutrislice on the web by visiting scc.nutrislice.com/menu

For easy mobile access, please download the app.

Android app store link
Apple app store link
Or you can search for "nutrislice"

In the app, find SCC menus by search **"Saint Croix Central"** and choose our district. After this you will have to ability to choose a school.

If you have an Amazon Echo, you can also enable the "School Menus By Nutrislice" skill to have it read you the menu. More info
