How many is the transportation fee?

Loading costs vary depending on the shipping destination and the number of items you purchase. You can calculate your exact shipping cost by adding items to your cart,

proceeding to checkout and entering your mailing address. The shipping price range will automatically update and show up in your total price range.

Shipping fees are also based on the size, weight and number of packages in the process. Larger products and additional items will incur a light load surcharge. The total shipping cost is displayed on the pay page.

All apparel items are priced at \$6.99 for one item + \$3.50 for additional items shipped domestically and \$7.99 for first-line items + \$3.99 for each additional item shipped to the rest of the world.

Important Note: We offer Free Shipping on orders over \$99.

How long will it take for customers to receive their order?

On average, goods are manufactured and transported from our infrastructure in 2-3 business days after purchase. Standard shipping/shipping times apply (5-10 days for domestic and 7-15 days for international).

Occasionally, the shipping may be delayed due to some objective factors (Epidemic, Protest, War, etc.), so it may take 8-15 days to receive the goods in this case.

Can orders be delivered to multiple contacts?

We do not provide shipping to multiple contacts for one order. If you want the items to be delivered to multiple contacts, please place those orders separately.

Do you bring your delivery supplier delivery to a post office box or contact a military APO/FPO?

We can ship shipments to post office boxes and military APO/FPO addresses.

Orders shipped to the APO contact are made via USPS, DHL, UPS, FedEx or PostNL, then forwarded to USPS for final delivery (via the military mail system). Shipments to APO can take up to 45 days to arrive.

Unfortunately, once the package enters the military mail system, tracking will stop updating for military security reasons. This means we are no longer able to display your order and are unable to deliver tracking messages.

Will I be charged VAT?

International shipping items from the US are shipped DDU (Delivered Duty Unpaid) and we do not collect VAT (Value Added Tax). Complete duties, taxes and fees are the responsibility of the recipient of the package.

Depending on the country of destination, your package may be subject to local merchant fees or VAT. We recommend that you contact your local customs office for more information about your country's main trade policy.
