

## AARP Tax-Aide Stamford Procedures for Weather Related Closings

Generally we follow the protocol of each of our host sites for weather related closings.

AARP TAX-AIDE now will post its own closings on the [News12 Weather Closings website](#) by 7:45 AM

We'll always be at the top of the list, because it is alphabetical!! If we are not on the list, then we are planning to open.

The screenshot shows the News12 website's 'SCHOOL CLOSINGS AND DELAYS' page. The page has a search bar and a table listing schools and their status for February 6, 2025. The table has columns for Name, City, and Status. The schools listed are AARP Tax-Aide Stamford (Closed), ARI of Connecticut (2-hour delay), and Adam J Lewis Academy (Closed).

Today Thu Feb 6, 2025		
Name	City	Status
AARP Tax-Aide Stamford	Stamford	Closed
ARI of Connecticut	Stamford	2-hour delay
Adam J Lewis Academy	Bridgeport	Closed

If a site is open, but you have travel problems and can't make it, just let your site leader and Cathy Ostuw know. In bad weather, our client traffic is usually lighter anyway, and we do not want anyone taking uncomfortable risks to get to a site!!
