

Dear letter writers for Jake Johnson.

Thank you for volunteering to write letters-to-the-editor of support for Jake Johnson for Congress.

The guidelines are: no mention of Trump; comparison of Jake vs. Finstad are OK; keep it positive for Jake; and not longer than 150 words.

Letters are to be emailed individually to each newspaper. Include your name, address, phone number and email in case they want to verify your identity. Typically, they publish just the name and city.

Here are the three Goodhue County newspapers and their contact information to which you will submit your letters:
