

Grading Policies and Procedures

Mrs. Hopely and Ms. Pew

Algebra 1/Math Enhancement

Highland High School

2026-2027

A. Grading:

1. **Minor Assessments(30%):** You will have small quizzes after a couple of sections. There will be multiple quizzes before a chapter test is given.
2. **Major Assessments (40%):** Tests will be given usually after the completion of a chapter or multiple sections of study. There will be three tests per marking period. One retest will be allowed per marking period. The best grade a student can receive on a retest is a 70%. The student must retake the test within two weeks of receiving their initial grade on the original test. The student must also attend extra help before retaking the test.
3. **Project (10%):** One project or assessment will be given each marking. There will be a project 1st and 3rd marking period and a benchmark assessment 2nd and 4th marking period. A benchmark assessment cannot be retaken.
4. **Homework/Classwork (20%):** This grade will consist of classwork activities and homework assignments. Homework will usually be given every night and will be updated on my website/google classroom. Homework is a review of what was done in class that day and is important to complete to determine if you are grasping the material. Homework will be graded as follows:
100: 100% completed
50: 50% completed
0: under 50% was completed

- B. **Attendance:** Everyone is expected to come to school regularly. You need to actively participate and attend class in order to learn the material. If you are absent, it is your responsibility to speak with us about what you missed in class and to check the absent folder. For the amount of days you were absent, that is how many days you have to make up the work. If you miss an assessment, we will email your parent/guardian, counselor, and vice principal with a deadline of when the assessment needs to be made up.

- C. **Extra Help:** If you have any questions, please do not hesitate to ask. Extra help is available after school Monday through Thursdays. Mrs. Hopely is also available during Tartan Time on A days in room E-109 and Ms. Pew is available on B and C days in room E-107.

D. **Materials:**

- 3 subject notebook or binder
- Pencils
- Folder
- calculator
- Chromebook

E. **Rules** that must be followed:

1. Be considerate when others are speaking and speak when called on.
2. Be on time and prepared for class each day. Points will be deducted from your participation grade each day if you do not have the necessary materials you need for class. If you are late to class more than once, a teacher detention will be issued. 3 latenesses will result in a disciplinary referral.
3. No cell phones, ear buds or food in the class (unless otherwise noted by the teacher). This may cause distractions when others are trying to learn. If you are caught with a phone, it is an automatic write-up and phone call home.
4. When you come into the room, take out your homework (if it was given the previous night), write the objective for the day in your notebook, and begin your warm-up activity. Please remain in your seats at all times (unless otherwise noted by the teacher)
5. Please only use the restroom at the beginning or end of the class period to prevent disruption from your learning and the learning of those around you. You will need to fill out a Smartpass to use the restroom.

We are looking forward to working with all of you in this course. It is extremely important for you to try your best each and every day. We want all of you to succeed and to have a wonderful school year!
