

COMMITTEE ON INSTRUCTION AND CURRICULUM

21-22 CIC 30
Monday, February 7, 2022

TO: The Academic Senate

FROM: Committee on Instruction and Curriculum (CIC)

SUBJECT: 21-22 CIC 30: Courses reviewed and approved by GEOC on 1/26 requiring Senate approval

PURPOSE: Action by the Academic Senate

ACTION REQUESTED: That the Academic Senate approve the summary list of courses approved by GEOC and CIC in one of three categories I. New GEOC certifications, II. GEOC recertifications with actionable revisions, III. Actionable revisions to GEOC courses

BACKGROUND INFORMATION:

On 2/7/2022, CIC approved 25 courses previously reviewed and approved by GEOC as newly certified GE, Overlay or Code courses, recertified GE, Overlay or Code courses or previously certified courses with revisions which, as specified in [19-20 CIC 123](#), require Senate approval.

In order to streamline the process, since these GEOC approvals are generally uncontroversial, CIC has changed its procedure and now refers the documents to Senate with a single master designation code (e.g. 21-22 CIC 30) in a [summary table](#), with each course listed by a subsidiary designation code (e.g. 21-22 CIC 30-1 through 21-22 CIC 30-25). This summary table is linked in this document and lists the designation code, the course number, the course title, the proposal type/description (e.g. new certification), the GE area, the Overlay/Code area, the date approved by GEOC, GEOC notes and the CIC approval date. The designation code, the course numbers, and course names are listed here:
