**Chris Garcia, PT, DPT, SCS, CSCS, USAW**

Dr. Chris Garcia is a residency-trained sports physical therapist, certified strength and conditioning specialist, and sports performance coach. He has extensive experience in treating athletes of all levels and sports, including assisting with NFL combine training programs and 3 years as a physical therapist at the United States Olympic Training Center, treating the nation's best athletes. After years of traveling around the world to care for professional athletes, Dr. Chris founded Sports Performance Physical Therapy, a 100% cash practice with 2 locations in San Diego, CA. He then founded Chris Garcia Academy, a global clinical education firm for cash-pay and sports PTs, to impact the profession of physical therapy so physical therapists all over the world have access to world-class treatment strategies and become leading experts in their respective communities. He resides in San Diego with his wife, three kids, and dog.
