

What Kennedy Stands For:

1. Kennedy will abolish the Federal Reserve to stop inflation fetishes.
2. Kennedy will resurrect Lee Harvey Oswald so he may be best in a fair game of fisticuffs.
3. Kennedy will end voter fraud by abolishing the electoral system. All elections will be determined by who gets the most right swipes on a special Tinder made for politicians.
4. Kennedy's new Kennedy doctrine will focus on curbing communism and anime around the rest of the world so that the USA remains the best anime country.
5. Kennedy will carpet bomb the ocean to create a deeper hole than the Marianas Trench.
6. Kennedy will allow for the full release of the 4KIDS English Digimon dub.
7. Kennedy will enforce mandatory euthanasia for political centrists. Pick a side and stick with it, stupid commies. *Barks capitalistly*.
8. Kennedy will pressure Congress to pass a bill called "a gun in every hand." This act will effectively end death in America.
9. Kennedy will get it done.
10. Kennedy will legalize anal sex in public.
11. Kennedy will allow all South African families a monthly budget to consume their quota of hentai.
12. Kennedy will push for a grant for all Americans to buy a portion of the Memphis Pyramid.
13. Kennedy will restart the war in Iraq, Syria, Vietnam, Korea, Kosovo, Florida, Germany, and Japan this is to assert maximum chadness. By destroying all our former enemies at once, no one will fuck with the USA.
14. Kennedy will legalize the sale of breast milk as an alternative to almond milk.
15. Kennedy will force Coca-Cola to use real cocaine again.
16. Kennedy will permit each American citizen to own one unit of Confederacy of Independent Systems propaganda.
17. Kennedy will enact the Fat Mommy Milkers protocol of 2024.
18. Kennedy will personally join the US Armed Forces on the frontlines for the maximum morale boost of the troops.
19. Kennedy will revoke his own citizenship in exchange for a cooler, newer one.
20. Kennedy will bolster the proletariat by seizing the means of production, reproduction, and re-reproduction for the maximum production of producers who make products.
21. Kennedy will introduce microtransactions to the U.S. Government in the form of Fortnite-themed skins for politicians to use in their daily lives.
22. Kennedy will oil himself up and flex for CNN, MSNBC, FOX, C-SPAN, The Daily Wire, The Young Turks, Al-Jazeera, ABC, BBC, and CBC every morning at 6:45 A.M. EST to show what an American chad looks like at peak performance.
23. Kennedy will secretly push for Anarcho-Capitalist policies but disguise them as Anarcho-Socialist ones to troll the Democrats into voting for them.
24. Kennedy will re-introduce trial by combat.
25. Kennedy will abolish god. There is no hope for humanity at this point.
26. Kennedy will require the invention and mass production of "cock sleeves" for maximum protection in the bedroom, battlefield, and political arena.
