## Focus Launcher

*Last updated: [11/Jan/2026]*

Minimalist Launcher respects your privacy. This Privacy Policy explains what information the app collects, how it is used, and how it is protected.

---

## Information We Collect

Minimalist Launcher **does not collect, store, or share any personal data.**

The app works completely **offline** and does not require user accounts, sign-ups, or cloud services.

However, to function as a launcher, the app accesses certain device-level information **locally on your device only**:

### 1. Installed Apps Information

- App names
- App icons
- Package names

This information is used **only to display and launch apps** from your home screen.

This data is never transmitted, stored remotely, or shared.

---

### 2. App Preferences (Stored Locally)

The launcher stores user preferences **locally on your device**, such as:

- Theme selection (light / dark)
- Favorite apps
- Shortcut selections
- Hidden apps
- PIN (if enabled)

These settings are saved using Android's local storage mechanisms and **never leave your device**.

---

### 3. Accessibility Service (Optional)

If enabled by the user, the app may use Android's **Accessibility Service only** for:

- Locking the screen via gesture

The accessibility service:

- Does **not** read screen content
- Does **not** capture keystrokes
- Does **not** collect personal data

This feature is **optional** and works entirely on-device.

---

## Permissions Used

Minimalist Launcher may request the following permissions:

- **Set as default launcher** – required to function as a home screen
- **Accessibility permission (optional)** – only for screen lock functionality

No permissions are used for analytics, tracking, advertising, or data collection.

---

## Data Sharing

Minimalist Launcher:

- **✗** Does not share data with third parties
  - **✗** Does not use analytics SDKs
  - **✗** Does not display ads
  - **✗** Does not track users
  - **✗** Does not connect to external servers
-

## Children's Privacy

Minimalist Launcher does not knowingly collect any personal information from children under the age of 13.

Since no personal data is collected at all, the app is safe for all age groups.

---

## Security

All data remains **on your device**.

No network communication is performed by the app.

---

## Changes to This Policy

This Privacy Policy may be updated if app functionality changes.

Any updates will be reflected on this page with a revised date.

---
