

Creative coding meetup — Pre-event online sync

2023-04-29 @ 20:00

Discord <https://discord.gg/DHDUFqGY>

Agenda

- Let's wait around 5 mins
- Introduce yourself
- Review of what we have so far
 - How many tickets
 - How much to buffer
 - Cleverse <- 80, incl speakers and staff, okay to buffer
 - Current buffer = 94/100
 - Poom <- can increase to 115, assume drop off 30%
 - Created speakers group
 - Submitted art
- Choose submitted art to be featured on stage
- Eventpop dash app setup
 - Download app
 - iOS -> <https://apps.apple.com/th/app/id1055577047>
 - Android -> <https://play.google.com/store/apps/details?id=me.eventpop.dash>
 - Security token will be sent in messenger
 - App manual
 - <https://drive.google.com/drive/folders/1f0mlApQRtF7z7TgcV13wKuuRml0mj4j2>
 - ** Turn on auto-checkin!
- On the event day
 - Registration staff
 - Emcee -> June
 - Speakers coordinator
 - AV coordinator
- Open discussion
 - What happens after session
 - Giang -> Live code
 - Poom -> After party
 - Poom: Don't forget about clean up. Probably should start cleaning up at 21:30.
 - Poom -> Can help manage F&B edge cases
- Action items and next steps

- Find an MC
- Thai -> Export art to wiki
- Thai -> Ask if I can go to Cleverse during afternoon
