BURN BAN LIFTED

The Athens-Fancy Prairie Fire Protection District will **LIFT THE BURN BAN** that was put in place on September 17, 2025.

With the recent rainfall over the last weekend and most of the local agricultural farmland harvested the ban will be lifted.

Keep in mind when open burning with dry and windy conditions fires can spread rapidly. Please have a water source available and contact dispatch if you are conducting a controlled burn. All unattended fires that are called in will be extinguished.

If you have any questions, feel free to contact the Athens Station 217-636-8221 and leave a message if no one is available to take your call.

Thank you,

A handwritten signature in black ink, appearing to read "J Foulk".

Jeremy Foulk
District Chief
