

# DUNE Computing Training January 26, 2023

## Grid Job Submission

Live document

1. Pick a color!
2. Write your name (if you want)
3. Ask your question, an expert will reply

Example:

Anna:

Does the ifdh tool work for all storage types?

Kirby:

Yes; including several obsolete ones that no longer exist.

Training: <https://dune.github.io/computing-training-basics-short/>

The Slack Channel for this event is [#computing-training-basics](#)
