Cleaning Services in Dubai: Maid Service

Are you having trouble doing household chores with your children and pets? We have the best maid offer for you!

Our maids are professional, efficient, and reliable. The service is also easy because we have a reliable team that you can rely on to clean your home carefully and attentively.

- You can specify the number of maids required.
- You can also choose the required day and time, as well as any additional important details.
- You can specify the duration of the service: once or every week, every two weeks, or once a month.
- You can have your home cleaned by the same loyal maid every time.

Deep Home Cleaning Services

What is deep cleaning in Dubai?

Deep cleaning is the ultimate way to get your home clean from top to bottom. It's like giving your home a spa day.

We'll deep clean your entire home, including your bathroom, kitchen, carpets, and AC vents. We also offer spring cleaning services.

Sofa Cleaning Services

Sofa cleaning requires extreme care and precision, as incorrect cleaning can cost you a lot. We will remove all stubborn stains and bad smells, regardless of their cause or age. All this is done using different methods, such as:

- Steam cleaning.
- Dry cleaning.
- Vacuum cleaning.
- Cleaning with detergents.

Carpet Cleaning

You won't see your carpet cleaner! We use German-made Kärcher technology, which is a technique that relies on approximately 7 stages of inspection, preparation, and suction.

1. We inspect all carpets in your home and identify all stains that need to be removed.
2. We move all carpets to the balcony or an open space.
3. We start by vacuuming dirt and dust from the carpet.
4. We apply the cleaning solution to all the stubborn stains that we have identified.
5. We use the German-made Kärcher machine that puts shampoo on the carpet and vacuums it after analyzing all the dirt.
6. We use strong suction for any remaining liquids and soap on the carpet.
7. We inspect the carpet for a final check to make sure of the quality of the cleaning.

Mattress Cleaning

When was the last time you cleaned your mattress?

We often spend between 8 to 10 hours on our beds every day! So say hello to all the dead skin, oils, and dust that will accumulate on your bed. Which will inevitably lead to yellow spots later.

No need to clean it yourself; here is how we do **mattress cleaning services in Dubai**:

1. We remove all the dirt that has accumulated on the surface of the mattress.
2. We use a strong cleaning solution that is highly effective against all oils and stubborn stains.

3. We use a powerful machine to vacuum all the dirt and dust inside the mattress.
4. We repeat the process until we reach the desired result.
