

Knob Tiger Pledge

Interest and desire to promote some common cause will stimulate action sufficient to bring together people from distant places to study, to practice untiringly, to share ideas and experiences, that they in turn may have more to share with friends and neighbors back home: The dance is the interest, Kentucky Dance Institute the place, and Knob Tiger is the organization.

All members and candidates are asked to repeat the following pledge:

We as Knob Tigers do hereby pledge
to promote ethnic dancing in our area,
to be kind, courteous and thoughtful
to all participating in the activity,
to be sincerely friendly,
and to share in the responsibility
of attaining standards set by the leaders
in the various fields of the dance.
