Elgin ISD Instructional Materials Selection Process
Proclamation 2024

In April 2022, the Texas State Board of Education (SBOE) issued Proclamation 2024 to call for instructional materials related to the following areas:

- K-12 Science

- K-8 Technology Applications

- CTE Courses: Child Development, Human Growth & Development, Instructional Practices, Principles of Education, Forensic Science, Anatomy & Physiology, Fundamentals of Computer Science, Health Science Theory, Medical Assistant, Pathophysiology, Computer Science I & II, Food Science

Elgin ISD Calendar for the Instructional Materials Process

- October 2023 - February 2024 District-level meetings with campus members

- March 2024 - April 2024 Teacher Committee Review Work

- April 2024 Gather Community Feedback

- April 2024 Final selections for Board approval

The list of instructional materials that have been approved by the SBOE for Proclamation 2024 can be found here: LINK. Elgin ISD will select materials for K-12 Science, K-6 Technical Applications, and some CTE courses from this list. These materials will be implemented in classrooms beginning with the 2024-2025 school year.

EISD Instructional Materials Selection Committees are in the process of reviewing materials for our district-adopted resources in alignment with Proclamation 2024. The public is invited to review the selected materials from April 2 - April 10. Public access to the materials is available digitally using the links below or access to the printed materials will be available by appointment by emailing nicole.hohensee@elginisd.net to schedule a time. We welcome public input via the EISD Instructional Materials Feedback Form.
