

Dear Mustang Families,

Welcome back to a brand-new school year at Plum Senior High School! We hope this summer gave you time to rest, reconnect, and enjoy special moments with family and friends. We are both honored and excited to continue working alongside you to create the best possible experience for our students.

Our theme for this year is “**Unlock Your Potential.**” This message is for every member of our school community—students, staff, and families. We all have untapped strengths, talents, and opportunities to grow. Together, we will work to ensure that every student recognizes their potential and is supported in reaching it.

A key focus of our work this year will be our **Portrait of a Graduate**, which outlines the qualities we want our students to develop before they leave our schools: **communication, adaptability, integrity, critical thinking, and empathy.** These five competencies will guide our lessons, our programs, and the way we prepare students to succeed in life beyond the classroom.

We are committed to building a school culture of support, transparency, and accountability. Families and the community are vital partners in this mission, and your involvement and feedback are essential to our shared success. Together, we will foster a positive, welcoming environment where every child feels valued, safe, and ready to learn.

At the heart of everything we do is our belief in the power of education to transform lives. By working together, we can provide all students with the opportunities and encouragement that they need to thrive.

As we begin this new year, we invite everyone to embrace the challenge of unlocking our potential, supporting one another, and setting high expectations for our students and ourselves. We know that with our collective effort and dedication, this will be an extraordinary year.

Thank you for your trust, your partnership, and your commitment to our students' success. Together, we will make this year one to remember.

In preparation for the start of the school year, we invite you to our annual Meet the Teacher Day. The following is the day and time specifically for PSHS.
