

Mighty

Some of the Mightiest of heroes inspire others not just through a show of martial skill, cleverness, or other such divine gifts; but from raw brute strength endowed to them by the Gods themselves. Myths of heroes slaying beasts with naught but their bare hands are some of the first myths to form, a basic gift, but one of the strongest.

Strong Hands. Your unarmed strike uses a d6 for damage.

Empowered Attacks. When you hit a creature with an unarmed strike or a melee weapon attack that lacks the finesse property, you can add an additional damage die to the resulting damage. Once you do so, you cannot do so again until you complete a short or long rest.

d6	Origins
1	I drank either the nectar of the gods or the breast milk of a goddess as an infant.
2	I was raised by Lions. Divine Lions.
3	I was given increased strength by a God by beating them in a gambling game.
4	I was an athlete blessed by the Gods to win in their name(s).
5	I was birthed by an actual bear.
6	Blessed was I to be the grandchild of a demigod.
