CONCEPT/CAPSULE RESEARCH PROPOSAL

This form is intended for research grant applications subject to in-house review.

I. SUMMARY OF INFORMATION	
1. Application Code <i>(To be filled up by OEDR)</i>	
2. Program Title	
3. Project Title	
4. Program Leader	
5. Project Leader	
6. TYPE OF RESEARCH ☐ Basic ☐ Applied ☐ Developmental ☐ Others: _____	7. R&D PRIORITY AREA & PROGRAM <i>(Based on SSU Research Thrusts and Priorities)</i> ☐ Engineering, Technology, and Industrial Innovation ☐ Fisheries and Aquatic Resources Sustainability ☐ Human Rights ☐ Gender and Development (GAD) ☐ Health ☐ Culture Heritage & Social Development ☐ Adult Education and Lifelong Learning ☐ Good Governance and Policy Research ☐ Geospatial and Predictive Analytics ☐ Environmental Sustainability and Climate Change ☐ Crustacean Research and Development
(8) Principal Question to be Addressed <i>(maximum of 100 words)</i>	
Implementation Schedule Duration: <i>(no. of mos)</i> Proposed Start Date: <i>(month, year)</i> Proposed Completion Date: <i>(month, year)</i>	
Estimated Budget <i>(in peso)</i>	

II. PROJECT LEADER PROFILE			
(9) Full Name	(10) Position/Academic Rank	(11) College/Campus	(12) Email Address

III. PROPOSAL DETAILS
(13) Significance <i>(maximum of 300 words) (This section should include a brief introduction to the topic, a clear definition of the problem being addressed, and the historical or reference-based foundations of the R&D. Furthermore, describe the expected outputs, the anticipated socioeconomic benefits, and the potential impact across the "6 Ps" framework.)</i>
(14) Objectives <i>(maximum of 300 words) (General and specific objectives of the proposed research).</i>
