Parent Newsletter, July Week 2

Greetings, Parents!

This week in Spanish class, we'll groove with some letters in the Spanish alphabet, starting with the classic tune "There Was a Farmer Had a Dog and BINGO Was His Name-O". We'll sing, flip over letters, and clap along until all the letters are turned over! It's a blast watching the little ones dive into learning Spanish letters, kicking off with B.I.N.G.O. and maybe even tackling the whole alphabet if time allows.

If there is time, we'll mix in some active fun with a catchy exercise song that challenges us to move and groove, freezing in the silliest poses when we hear "Alto" (that's "Stop and Freeze" in Spanish). Get ready to see some epic freeze poses! If time permits, we might even sneak in a quick numbers refresher this week. Diving into Spanish this week will be fun with some core curriculum (letters and numbers) as well as some body movements and exercises!
