

Hi , (name)

(compliment)

I'm going to be 100% upfront with you.

I think your brand is cool and I want to provide copywriting/digital marketing services for you.

I was looking over your website and had a couple of ideas for a way you could increase sales for your (product).

I'd love to create a free piece of work for you, and if you like it, we can talk from there.

If you're interested, let me know what kind of content you'd like me to create and I'll send it over asap.

Sound fair enough?

Oskar
