

SVD GDC W NIDADAVOLE. W.G.Dt

Department of Economics

Date April 3, 2021

Activity: 1 B.A students are going to visit Nidadavole local market .

No of students participated: 20

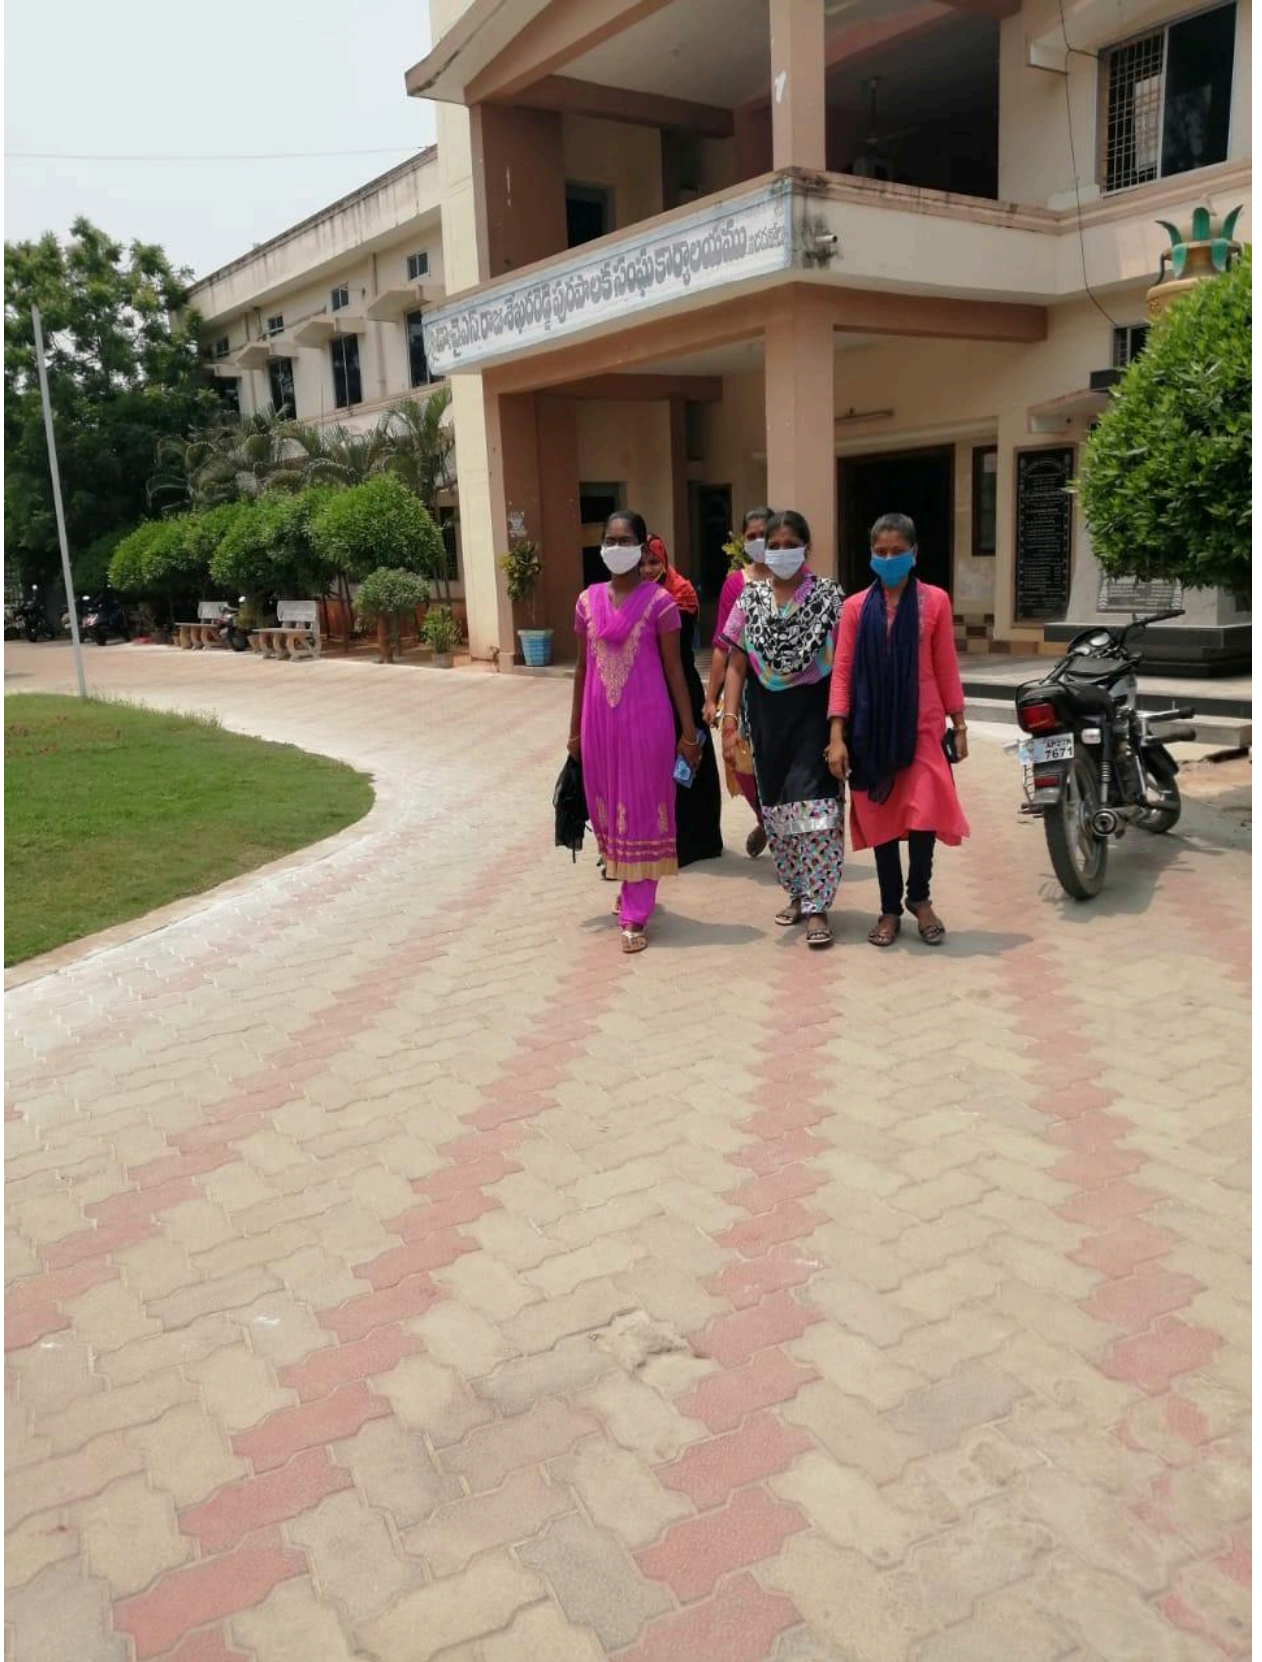

Department of Economics going to conduct activity to 1 B.A student ,they are visit local market to know about the market structure and their activities,and also their income levels.

They observed that how to start their shops in that perticular place and what steps they follow to develop their business.

On the basis of this awareness programme first we visit Nidadavole municipal commissioner office and

that particular section to take permission to visit that market name as Bobba Krishna Murthy vegetable market.

In the subject of economics as their curriculum first year students have market structure types of

markets and functions
