

This Privacy Policy applies only to personal information submitted and collected through the Services. By installing, using, registering to or otherwise accessing the Services, you are accepting the practices described in this Privacy Policy. If you do not agree to this Privacy Policy, please do not install, use, register to or otherwise access the Services. Your continued use of the Services will signify your acceptance to the changes to this Privacy Policy.

1.What Information Collected

We do not sell, trade or rent user information to others. To do this, we may share general demographic information with our business partners, trusted affiliates and advertisers that are not related to any personally identifiable information about visitors and users. If you provide us your email address, we will not share your email address with any third parties with you.

Personal identification information: Such as email, device ID, country or any other electronic means of identification when using the app. Non-personal identification information may include the type of computer and technical information about users connecting to our applications, such as operating systems and other similar information. The Personal Information may be freely provided by the User, or collected automatically when using this Application.

2.Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

3.Third Party Services

The app does use third party services that may collect information used to identify you. [Link to privacy policy of third party service providers used by the app](#)

- AdMob
- Facebook
- Unity

4.Safeguards

Personal information collected by is stored in secure operating environments that are not available to the public and that are only accessible by authorized employees. We also have security measures in place to protect the loss, misuse, and alteration of the information under our control (i.e., maintain data quality). Before we allow web users to access their personal information, for example, we verify their identity by requesting that they submit information such as their username and password. We also take reasonable steps to ensure that third parties to whom we transfer personal information provide sufficient protection of such data.

5.Children's Privacy

You must be over a certain age to play our games and use our Services. We do not knowingly collect or solicit personal information from or direct or target interest based advertising to anyone under the ages set out below, or knowingly allow such persons to use our Services.

6.The rights of Users

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following:

Access their Data. Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.

Verify and seek rectification. Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.

Restrict the processing of their Data. Users have the right, under certain circumstances, to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.

If you have any questions about this Privacy Policy, please contact us at printstart@sina.com.
