

INCLEMENT WEATHER/GOVERNMENT MANDATED SHUTDOWN STUDIO CLOSINGS

In the case of inclement weather, we will follow the decision of the Johnston County School system. We will also post updates/messages via Facebook page, Instagram page and/or email. As our students come from a wide area where weather conditions may be different, please use discretion about road conditions in your area and don't try to drive if you feel it is unsafe! You will NOT be counted absent or penalized if classes are held if it is clear that weather conditions were unsafe in your area.

There are NO refunds or discounts given when the studio must close due to inclement weather or shutdown as this is of course out of our control. In the event we must close for what we deem to be an excessive amount of time due to inclement weather, every effort will be made to schedule make-up days as permitted in our schedule.

Always refer to our RISE N SHINE PRE K CALENDAR for planned studio closures and holidays.
