

Chrinos Art Commissions

CHRINOSART COMMISSIONS TERMS OF SERVICE

General Terms

- **You must be over 18 to commission me.**
- By commissioning me you agree to the Terms of Service written below
- The commissions are sold for personal use, which means: **All rights to the art I create, including commissions, belong exclusively to me.** You may neither sell nor exchange my art in any form, physical or digital, print or NFT, under any circumstances unless you have my express written permission AND you have paid for the rights to do so. You may not use my art in any published material, even if free.

You can of course post the art in your social media, with due crediting.

Please refrain from posting my art on platforms with heavy GenAI usage such as Twitter, Meta products and Discord.

Bluesky, Telegram and Furafinity are safe (for now).

In addition, any art I create is my own. Unless exclusive rights are purchased I retain all rights to use and monetize my art in any way I choose: prints, online sales, marketing, published materials, or any other merchandise.

- In no case my art can be used to train GenAI models, including personal local ones.
- Any commission I create may be used by me to advertise my Patreon. I also can use any piece I do, as well as sketches and time lapses, as Patreon exclusive content.
- Listed prices are base prices. Prices may change depending on the complexity of the piece created.

- Commissions will be done in a span of 1 to 3 months from the LAST pre-payment. This varies greatly but you can always ask me for updates (just in a reasonable manner/timing).
- Sharing my work is always appreciated, just be sure to credit me. **@chrinos.art on Bluesky**

Themes and Topics

If you commission me, you should know what I draw and the styles I use, but here’s a refresher:

WHAT I DRAW	WHAT I DON’T DRAW
Anthros/Furries Humans SFW NSFW Landscapes Muscle Art Horror Gore (Non sexual and non Extreme) Sex toys/Bondage/BDSM Feral (Non Sexual)	Extreme Kinks: Hyper, Inflation... Scat/Farts and Blood play Ferals NSFW Underage characters Non Consensual Vore (Any type) Inflation ABDL Pregnancy

I reserve the right to refuse any commission if I don’t feel comfortable drawing a topic, but we can always discuss to get to a compromise.

Payment

- Payment will be done entirely via Paypal Invoice.
- Payments over € 200 can be split in 2 parts:
 - First half to reserve the slot.
 - Second half when the final sketch is approved.
- Payments over €500 can be split in 3 parts:
 - First Third to reserve the slot.
 - Second Third when the sketch is approved.
 - Last Payment anywhere between the approval and the delivery of the finished image.

Cancellation Fees

I know life happens sometimes, but I'm a small freelance artist and any cancellation or refund really puts me in a tough spot.

A commission can be cancelled, but I will only refund half of the PAID PRICE, if I haven't started working on it.

If I have started working on the commission I will keep half of the TOTAL PRICE and send you the artwork I made up to that point.

Commissions are opened in specific moments of the month, where it's more likely to find clients and having to open a slot outside of that time period might result in me incurring a loss.

YOU WILL STILL RECEIVE SOMETHING of the value I withheld.

For example, you paid 100€ for reserving a piece, decided to cancel, I will refund 50€ and work on something worth the remaining 50€.

That will be discussed with the client.

Process

- Conversation about the commission, ideas and such.
- Slot reservation payment. (Or Full Payment)
- 1 to 3 months pass
- Will send rough sketches to decide a pose.
- Client picks a pose.
- Start working on the final sketch.
- Client suggests changes/ideas or approves the sketch.
- Second part of the payment.
- Work on the finished artwork, duration of this varies with the piece complexity.

- Artwork delivered
- Client happy :D
- I'm happy too :D

Commission Types and Pricing

Pricing and fees

All the prices below are starting prices, they can increase depending on the complexity or by adding extra characters.

-NO REFERENCE: If you don't have any references for your character there will be a minimum **€100 fee** (In this case I recommend referring to a character design type of commission.)

-AI REFERENCE: Please, don't do this. If you really can't avoid asking Midjourney for a poorly shaded reference of your character with 46 fingers in one hand, I will apply a **€100 fee**.

-ALTS: Minimum 20€, depending on the complexity. Alts must be discussed BEFORE I start working on the piece, because some things might not be possible in the end.
Some artworks already come with a free alt!

-EXTRA CHARACTERS: This can increase the price between 50% and 100% of the base price, per character.

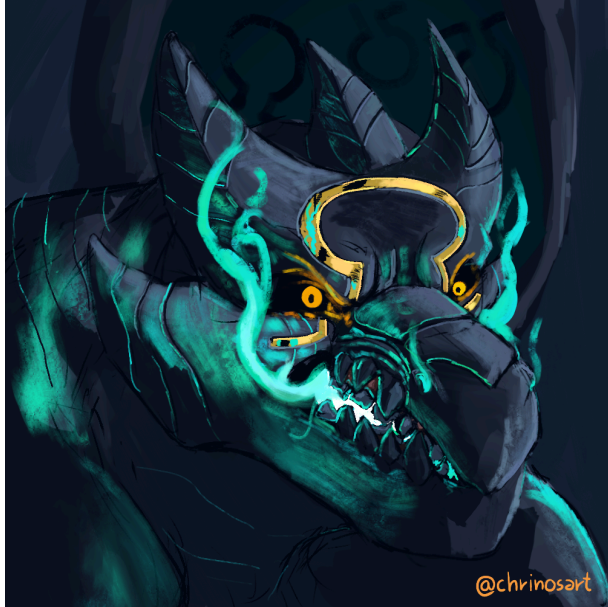

-BACKGROUND: Increase in price, let's discuss this!

-DISCOUNTS: Multiple orders, using characters I own or I designed, or being a recurrent client will always result in a discount.

Sometimes I also do themed discounts when I feel like drawing something (for example Shark Month discounts)

-COMMERCIAL RIGHTS: As established before, I own the commercial rights of every piece I make, in case you're interested in buying those we will have to discuss it and draft a contract.
