Sub:- Junk Food at the College Canteen.

Dear Sir,

I am writing to you to bring your kind attention towards the fact that most of the food items that are being sold at the College Canteen are either Canned, packed, processed items or fast food. This is seriously affecting the health of the students. Besides the quality of the food items at times is ignored. Not only our money is wasted but our health, is also being affected.

The College Canteen must sell nutritious and healthy food, such as, fresh fruits, salads, fruit yogurt, ~~to~~ fruit, fresh fruit juices, etc. The College Canteen requires complete up gradation. I am hopeful ~~so~~ your good self will definitely look into the problem and instruct the Canteen in charge to do the needful.

Thanking you
your great student

Requesting to provide safe drinking water

Respected sir,

it is stated that a memo was received from the health ministry this morning, and our college is listed there. Minister for Health recommended that every college should provide safe drinking water to students.

Waiting for your suggestion, and approval so that matter is resolved immediately.

Thanks in advance
