PROJECTS

Project Title: Personal Portfolio
Link: https://gauravsdmali.github.io/myPortfolio/
Duration: 5-10 days
Tools & Technology Used: HTML, CSS, JavaScript, Jquery, Bootstrap, Git-Github, Hosting on .tech

Description:

- In this front-end web development project, I skillfully utilized an impressive array of advanced frontend libraries and cutting-edge technologies, resulting in a dynamic and captivating user interface.

- This beautifully crafted website showcases all the information about you, including your projects, experience, skills, and a convenient contact page for connecting with potential collaborators

Project Title: Transportco
Link: https://gkyn-transportco.netlify.app/
Duration: 12-15 days
Tools & Technology Used: HTML, CSS, JavaScript, Jquery, Bootstrap, Git-Github, Netlify
Description:

- This website covers all aspects of the company's transportation services, from how it works to what we provide. You can contact us through the dedicated page and easily sign in or sign up to access exclusive benefits.

- This website, hosted on Netlify, allows us to gather user data efficiently to improve their experience and provide excellent service while ensuring data privacy and compliance.

Project Title: Food-Restro-App
Duration: 12-15 days
Tools & Technology Used: Dart, Flutter
Description:

- The front end of the restaurant application includes a responsive design, a user-friendly menu display, online ordering, table reservations, user accounts, reviews, special offers, notifications, contact information, language options, and social media integration.

- Indeed, the cross-platform capability of Flutter empowers the restaurant application to be accessible on Android, iOS, and web platforms, ensuring a cohesive and smooth user experience across all devices.

Co-Curricular Activities

Coding Blocks January 2022 - June 2022

• Working as a campus-superHero.
• We Superheros community helps students learn lifelong transferable skills, develop as future leaders, and help our peers in college gain high-quality technical skills.
