Tuesday 9th December

Not needed

Wednesday 10th December

Not needed

Thursday 11th December

Set up the glitch before 5PM (this is the same day with the 36 minute break, you can set up the glitch after the race and lost no time)

At 7PM the QTE happens

- QTE: >< A << A >>><<>

After the second A input, quickly move to the save screen to delay the time

Move back to unbound before the cutscene fades

Fight is on a timer so be fast

After the Charlie cutscene, move back to the save screen to delay the timer again and catch the 8PM bus early (35~ second timesave)

Friday 12th December

Not needed

Saturday 13th December

Set up the glitch before lunchtime is over

After the QTE, the end of work cutscene happens

Save as soon as this cutscene happens and reload the save

Catch the 5:15PM bus (2 minute timesave)
